

2013 DUES SCHEDULE

Private Sector Firms

The annual ARTBA dues investment for a private sector firm is based on the value of your firm's sales or work volume in the U.S. transportation construction market during the previous year:

Primary Membership

< \$5 Million in Annual Volume—Firms with an annual volume less than \$5 million are asked to make a **\$680** annual dues investment in ARTBA.

\$5 Million+ in Annual Volume—For firms with an annual volume of \$5 million or more, the dues investment rate is **\$150 for each \$1 million in volume**. (For example, a firm with \$10 million in annual sales to the U.S. transportation construction market is asked to invest \$1,500 annually to support ARTBA programs and activities—\$150 x 10 = \$1,500).
